PURSUANT TO 37 CFR 1.181**

Mail Stop- Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The undersigned hereby petitions for the withdrawal of the holding of abandonment mailed in this application on September 17, 2003. The undersigned received this notice at his offices on September 25, 2003, and has promptly filed this petition. Simply stated, the holding of abandonment was predicated upon the improper conclusion that no issue fee was submitted in this application. In fact, the Applicant submitted the issue fee on February 11, 2003.

Facts Supporting Withdrawal of Holding of Abandonment

An original Notice of Allowance was mailed in this application on January 28, 2003. In response, the issue fee was paid on February 11, 2003. A copy of these papers, including a copy of the return postcard from the PTO evidencing receipt of same, is attached hereto at Tab A.

On February 10, 2003 (Paper No 10), the PTO mailed a Notice of Withdrawal from Issuance. Then, on March 5, 2003, an Office Action was mailed requiring non-substantive amendments to the above-referenced patent application.

On March 27, 2003, Applicant mailed a response to this Office Action. On page 2 of this response, Applicant expressly requested that the previously-submitted issue fee be applied to any ensuing issue fee. Specifically, that response included the following directive:

The undersigned notes that the issue fee payment was submitted on Feb. 11, 2003, in response to the Notice of Allowance mailed Jan. 28, 2003. Since the changes made by this amendment are purely cosmetic, the undersigned expects a supplemental Notice of Allowance to be forthcoming, and requests that the previously-submitted issue fee payment be applied thereto.

A copy of this response is attached hereto at Tab B.

On April 11, 2003, a supplemental Notice of Allowance was indeed mailed, and Applicant returned the Issue Fee transmittal on April 17, 2003. A copy of this transmittal, along with the return postcard indicating receipt by the PTO on April 22 is attached hereto at Tab C. Immediately above the undersigned's signature on that transmittal is the statement that the "Commissioner for Patents is requested to apply the Issue Fee and Publication Fee (if any) or to re-apply any previously paid issue fee to the application identified above."

Conclusion

Simply stated, it appears that the PTO simply failed to apply the previously submitted issue fee (submitted on Feb. 11, 2003) in connection with the Issue Fee transmittal that was submitted on April 17, 2003. The undersigned has confirmed that the issue fee submitted on February 11, 2003, was paid by check number 24616, and that that check has been presented by the PTO to our bank and payment to the PTO has cleared.

In view of the foregoing, the undersigned respectfully submits that the holding of abandonment was improper and should be withdrawn.

No fees are believed to be due in connection with this petition. If, however, any fee is deemed to be payable, you are hereby authorized to charge any and all such fees to Deposit Account No. 20-0778.

Respectfully submitted,

Daniel R. McClure
